2022-2023 Schedule Request Form: GRADE 9

Except during 6th period when students can choose between Band, Choir and an assortment of Electives, all other scheduling choices are made by the administration. If a parent or student has any special requests, please contact the principal or school counselor.

Here are the courses that 9th graders will take:

English 9 (full year)	Geometry (full year)	Science 9 (full year)	Civics 9 (full year)	PE 9 (two quarters) —either in quarters 1 & 3 or quarters 2 & 4	Child Development 9 (semester)
Shop 9 (quarter)	Art 9 (quarter)	Computer Technology 9 (quarter)	Drivers Ed 9 (quarter)---students with an earlier birthday will be placed in the first quarter of this course	Electives (see below)	

6th Period Elective Choices

Please note, if you are in Choir (an 'A' day course), you would also need to choose a 'B' day course to finish off your schedule **in every** quarter or semester. If you are in Band (a 'B' day course), you would also need to choose an 'A' day class. If you are **NOT** in Band or Choir, you must select from classes that meet on 'AB' days only. Students who are **NOT in BOTH BAND and CHOIR must take one** quarter of Computer Applications **and either** a quarter of Digital Design **OR** a quarter of Media Communications. Students who take Sewing will not have to take Digital Design or Media Communications. Due to space limitations, students will not likely be allowed more than one quarter of a PE or Art Elective. Remember, you will have two quarters of PE 9 in your schedule already (quarters 1 and 3 OR quarters 2 and 4). You will also have a quarter of Art 9 in your schedule as well.

CIRCLE WHAT YOU WOULD LIKE TO TAKE.
