2024-2025 Schedule Request Form: GRADE 9

Except during 5th period when students can choose between Band, Choir and an assortment of Electives, all other scheduling choices are made by the administration. If a parent or student has any special requests, please contact the principal or school counselor.

Here are the courses that 9th graders will take:

English 9 (full year)	Geometry (full year)	Science 9 (full year)	Social 9 (full year)	PE 9 (semester)	Child Development 9 (semester)
Shop 9 (quarter)	Art 9 (quarter)	Careers 9 (quarter)	Drivers Ed 9 (quarter)---students with an earlier birthday will be placed in the first quarter of this course	Electives (see below)	

5th Period Elective Choices

Please note, if you are in Choir (an 'A' day course), you would also need to choose a 'B' day course to finish off your schedule **in every** quarter or semester. If you are in Band (a 'B' day course), you would also need to choose an 'A' day class to finish off your schedule **in every** quarter or semester. If you are **NOT** in Band or Choir, you must select from classes that meet on 'AB' days only.

Students who are **NOT in BOTH BAND and CHOIR** must take at least **one** quarter of **Applied Programming**** and **one** quarter of **Computer Technology 9****. Doing so is a way to fulfill the Computer/Technology requirement for graduation. It is highly suggested that non-music students take at least one Art class as well (e.g. Drawing, Graphic Design, Sculpture, or Textile Arts/Quilting). Students must earn one credit in the Arts as part of their graduation requirements (Band and Choir also count towards an Art credit). Due to class size caps, students will not be allowed to register for more than two quarters of a PE Elective during 5th period. Remember, you will have PE 9 in your schedule already (every day in semester two). Please note, if you select PE in quarter 3, you will have two PE classes a day in that quarter. ***If students register for Textile Arts/Quilting, they only have to take one of the following: Applied Programming and NOT Computer Technology 9.*

A couple of weeks ago, you met with Ms. Anderson regarding pre-registration. Based on that meeting, the courses circled below reflect either your first or second choices for electives in a given quarter. Please note, Ms. Anderson may have also moved courses around on your schedule to adjust for enrollment sizes.

Grade 9: <http://mcccounselor.weebly.com/9th-grade-registration.html>

- 1) A couple of weeks ago, you met with Ms. Anderson regarding pre-registration. Based on that meeting, the courses that are circled on your registration form reflect either your first or second choices for elective classes in a given quarter. Please note, Ms. Anderson may have also moved courses around on your schedule to adjust for enrollment sizes. If you want to change one or more of these classes, indicate that in the space provided on your registration form.
- 2) Review your scheduling options with a parent or guardian.
- 3) Have a parent/guardian sign your registration form.
- 4) Return your signed registration form to the office by March 7th, 2024 (there will be a table outside of Missy's window with a grade-specific box for you to place this in).

Please note, if you didn't pre-select one of these options when you met with Ms. Anderson, they are now FULL. If you want to change your schedule so you can take one of them, you won't be able to unless someone else drops it from their schedule.
