

10th Grade Registration Information: 2024-2025

Advanced Honors Classes in 10th Grade

If you: 1) have a 'B' or higher in your 9th grade math, English or science classes; 2) have a teacher's recommendation; and 3) are one of the top 24 ranked students who wish to enroll in a Sophomore honor's class, you can take Advanced Algebra II, Advanced English 10 and/or Advanced Biology. Otherwise, you will be placed in Algebra II, English 10 and/or Biology.

Please note, based on your: 1) pre-registration requests for these classes; 2) your course-specific grades; 3) your class rank; and 4) teacher recommendation, **your APPROVED English, Math, and Science classes have been circled for you.** If you believe this in error, please see Mr. Longerbone and Ms. Anderson.

All other courses have been circled based on your pre-registration requests. You are free to change your mind about any of these but note, subject to space availability (juniors and seniors register first), your request may or may not be granted.

Due to class size caps, students will not likely be allowed to register for more than two quarters of a PE Elective during 5th period. Keep in mind, you will have PE 10 every day in your schedule during semester two.

Grade specific scheduling information and the *High School Registration Guide* can be found here:

Grade 10: <http://mcccounselor.weebly.com/10th-grade-registration.html>

- 1) Review your scheduling options with a parent or guardian. Remember, you can change your mind about the classes you pre-selected when you met with Ms. Anderson. Everything on your form has been written in pencil and can be easily erased. Just keep your graduation requirements in mind.
- 2) If you have a concern about your placement in a regular or advanced section of English, Algebra II and Biology, please contact Mr. Longerbone and Ms. Anderson.

- 3) Make sure to have a parent/guardian sign your registration form.**

- 4) Return your signed registration form to the office by March 7th, 2024 (there will be a table outside of Missy's window with a grade-specific box for you to place this in).**

Please note, if you didn't pre-select one of these options when you met with Ms. Anderson, they are now FULL. If you want to change your schedule so you can take one of them, you won't be able to unless someone else drops it from their schedule.

- Quarter 1 (Murals)---5th period**
- Quarters 1-4 (Yearbook)---all periods**
- Semester 1 (Apparel/Textiles/Design)---5th period**
- Semester 2 (Textile Arts/Quilting)---5th period**
