3. While local scholarship committees will accept handwritten cover pages to the applications (e.g. the page where it asks for your name, college plans, etc...), it is best to type out (on your computer) all of your information (and **always** type out your essays and your lists of extracurricular activities). Many of the scholarships have limited space to respond to an essay question (so you may need to type/write '**see attachment**' and then respond to the question(s) on a separate page).

EXAMPLE: Myles Westman Memorial Scholarship

Student Name: _____

School You Will Attend: _____

Briefly describe your future plans: *(type/write 'see attachment' and then answer/type your response on a separate page)*

Due March 21, 2024. Please return your application to the High School Counseling Office.

*****To type out the scholarships on your computer, download the applications from my website and create a Google Doc of the PDF's. My website is: <http://mcccounselor.weebly.com/spring-local-scholarships.html>**

4. When a scholarship requires you to respond to essay questions on a separate page, make sure to do as follows:

Type the name of the scholarship (center aligned)

Type your first and last name (center aligned)

Then type out the essay question(s) and enter your response.

*****if you use more than one page, make sure you put the page number, the name of the scholarship, and also your name again on the second page)**

Below is an example:

MCC Education Foundation Scholarship

Jane Doe

How have academics and activities you participated in during high school helped prepare you for graduation and your post secondary experience? At this point, you would enter your response. *Make sure to write an adequate amount (at least a few paragraphs) but try not to exceed any stated limits (e.g. if they say 'in a page or less').*

<http://mcccounselor.weebly.com/spring-local-scholarships.html>.

Additionally, copies of all the scholarships can be found in the blue file box outside of my office.

8. If you are a recipient of a scholarship, make sure to send a thank you note to the scholarship committee and/or donors. In the table above, there is information on where to send your thank you's. Make sure to include the name of the scholarship in your thank you, how the money will contribute towards your education and/or its impact on you. Here is an example:

(Make sure to include the specific scholarship in the title)

To the Donor(s) of the Lloyd Melvie Aviation Scholarship:

(State your appreciation and note the dollar amount)

Thank you so much for awarding me \$2,000. I am very appreciative of this generous gift.

(Tell a little bit about yourself and your future plans)

I am excited to begin the aviation program in the fall at the University of North Dakota. Since I was little, I have dreamed of becoming a pilot and seeing the world. After graduating from UND, I hope to work for one of the major airlines on international flights.

Thanks to you, I am one step closer to achieving my goals. With the high cost of college, you have lightened my financial burden. This will allow me the opportunity to focus more on my studies.

Thank you again. Your thoughtfulness means so much to me.
